DOCKET NO. 20170142-SU  
ORDER NO. PSC-2018-0243-FOF-SU  
ISSUED: May 10, 2018

The following Commissioners participated in the disposition of this matter:

ORDER AMENDING CERTIFICATE NO. 137-S  
AND DECLINING TO INITIATE A SHOW CAUSE PROCEEDING

BY THE COMMISSION:

Background

On June 12, 2017, Merritt Island Utility Company, Inc. (MIU or Utility) filed an application with this Commission to amend Certificate No. 137-S to add territory in Brevard County. When MIU acquired the wastewater system and Certificate No. 137-S in 2017,<sup>1</sup> the previous owner was already serving the territory requested in the instant docket.

Mobile Home Investors, Inc. was initially granted a certificate to operate a wastewater system in existence in 1974.<sup>2</sup> In 1976, we approved the transfer of the wastewater system and Certificate No. 137-S to Colony Park Utilities, Inc.<sup>3</sup> In 2003<sup>4</sup> and 2007,<sup>5</sup> the Utility was granted

<sup>1</sup>Order No. PSC-2017-0366-PAA-SU, issued September 27, 2017, in Docket No. 20170018-SU, In re: Application to transfer wastewater system and Certificate No. 137-S in Brevard County from Colony Park Development Utilities, LLC to Merritt Island Utility Company, Inc.

<sup>2</sup>Order No. 6365, issued December 2, 1974, in Docket No. 73391-S, In re: Application of MOBILE HOME INVESTORS, INC., for a certificate to operate an existing sewer utility in Brevard County, Florida.

<sup>3</sup>Order No. 7296, issued June 28, 1976, in Docket No. 750664-S, In re: Application of MOBILE HOME INVESTORS, INC., and COLONY PARK UTILITIES, INC. for approval of the transfer of assets and Certificate No. 137-S from the former to the latter. (Section 367.071, Florida Statutes).

<sup>4</sup>Order No. PSC-03-0320-FOF-SU, issued March 6, 2003, in Docket No. 020930-SU, In re: Application for transfer of majority organizational control of Colony Park Utilities, Inc. holder of Certificate No. 137-S in Brevard County, from Robert Warren, Lenore Warren, William Warren, and Carol Kendall to Eileen Rogow, Arthur Rogow, and Philip Young.

transfers of majority organizational control, and in 2014 the wastewater system and Certificate No. 137-S were transferred to Colony Park Development Utilities, LLC (CPDU).<sup>6</sup> In each of these transactions, the sale included both the Utility and the Colony Park mobile home park.

CPDU subsequently sold the mobile home park and the wastewater system to Colony Waste Services, LLC (CWS) in 2016. CPDU and CWS did not file an application for transfer of the system and wastewater certificate at that time. CWS did not want the wastewater system, and sold it to MIU, who then filed an application for transfer.<sup>7</sup> During the pendency of Docket No. 20170018-SU, it was discovered that the wastewater treatment plant was serving customers outside of its certificated territory.

This Order addresses the Utility's request to extend its wastewater service territory. We have jurisdiction pursuant to Section 367.045, Florida Statutes (F.S.).

### Decision

#### Amendment of Certificate

The Utility's application to amend its authorized service territory is in compliance with Section 367.045, F.S., and Rule 25-30.036, Florida Administrative Code (F.A.C.). The application is also in compliance with the noticing provisions set forth in Rule 25-30.030, F.A.C. No objections to the application have been received and the time for filing such has expired.

MIU provided adequate service territory maps and territory descriptions. According to the application, the provision of wastewater services in the proposed service territory is consistent with the North Merritt Island Small Area Plan Study. As stated in the background, when MIU acquired the Utility, the proposed additional service territory, serving approximately 75 equivalent residential connections, was already being served by the previous owner. Based on a review of the annual reports filed for the system, it appears that wastewater service was extended to the additional territory sometime during 1995 or 1996 by Colony Park Utilities, Inc., who held Certificate No. 137-S from 1976 to 2014.

The Utility stated in its application that the existing customers (including those in the proposed extended service area) are served by a 0.070 million gallon per day treatment plant permitted on an annual average daily flow basis from the Florida Department of Environmental Protection (DEP). The system is built out and existing collection lines are sized to serve the customers currently being served.

<sup>5</sup>Order No. PSC-07-0420-FOF-SU issued May 14, 2007, in Docket No. 060636-SU, In re: Application for transfer of majority organizational control of Colony Park Utilities, Inc., holder of Certificate No. 137-S in Brevard County from Eileen Rogow to Michael Abramowitz.

<sup>6</sup>Order No. PSC-14-0673-PAA-SU, issued December 5, 2014, in Docket No. 120285-SU, In re: Application to transfer wastewater facilities and Certificate No. 137-S in Brevard County from Colony Park Utilities, Inc. to Colony Park Development Utilities, LLC.

<sup>7</sup>Supra note 1

The Utility was granted a rate increase in 2008,<sup>8</sup> and at that time, we found the overall quality of service of the Utility to be satisfactory. Additionally, there currently appear to be no outstanding Consent Orders or Notices of Violation from DEP. Based upon our review of the financial information provided in this docket, the Utility's financial ability to operate a utility has not diminished since the Utility's 2008 rate case. The Utility has filed its 2017 Annual Report and is current with the payment of its 2017 Regulatory Assessment Fees (RAFs). Based on the foregoing analysis, we find that MIU has the financial and technical ability to service the amended territory.

### Conclusion

Based on the information above, we find it in the public interest to amend Certificate No. 137-S to include the territory as described in Attachment A, effective the date of our vote, May 8, 2018. This Order shall serve as MIU's amended certificate and shall be retained by the Utility. The Utility shall continue charging the customers in the territory added herein the rates and charges contained in its current tariffs until a change is authorized by this Commission in a subsequent proceeding.

### Show Cause

Pursuant to Section 367.045(2), F.S., a utility may not delete or extend its service outside the area described in its certificate of authorization until it has obtained an amended certificate of authorization from this Commission. Section 367.161(1), F.S., authorizes this Commission to assess a penalty of not more than \$5,000 for each offense, if a utility is found to have knowingly refused to comply with, or to have willfully violated, any provision of Chapter 367, F.S. By serving customers outside of its certificated territory without obtaining an amended certificate of authorization, the Utility's act was "willful" within the meaning of Section 367.161, F.S. Utilities are charged with the knowledge of our statutes and rules. Thus, any intentional act, such as MIU providing wastewater service beyond the boundaries of Certificate No. 137-S, without first obtaining a certificate of authorization from us, would meet the standard for a "willful violation" of Section 367.161(1), F.S.

In Order No. 24306, issued April 1, 1991, in Docket No. 890216-TL, In Re: Investigation Into The Proper Application of Rule 25-14.003, Florida Administrative Code, Relating To Tax Savings Refund For 1988 and 1989 For GTE Florida, Inc., having found that the Company had not intended to violate the rule, we nevertheless found it appropriate to order it to show cause why it should not be fined, stating that "[i]n our view, 'willful' implies an intent to do an act, and this is distinct from an intent to violate a statute or rule"; see also Order No. PSC-99-2390-FOF-WU, Issued on December 7, 1999, in Docket No. 980543-WU, In re: Application for amendment of Certificate No. 363-W to add territory in Marion County by Sunshine Utilities of Central Florida, Inc., (finding that the utility's apparent violation of Section 367.045, F.S., did not warrant the initiation of a show cause proceeding). Additionally, "it is a common maxim,

<sup>8</sup>Order No. PSC-08-0760-PAA-SU, issued November 17, 2008, in Docket No. 080104-SU, In re: Application for staff-assisted rate case in Brevard County by Colony Park Utilities, Inc.

familiar to all minds that ‘ignorance of the law’ will not excuse any person, either civilly or criminally.” Barlow v. United States, 32 U.S. 404,411 (1833).

Although MIU’s failure to obtain an amended certificate of authorization prior to serving outside of its certificated area is an apparent violation of Section 367.045(2), F.S., there are mitigating circumstances. When MIU acquired the Utility, the proposed additional service territory, approximately 75 ERCs, was already being served by the previous owner. During the evaluation of MIU’s transfer application, Docket No. 20170018-SU, when it was discovered that the Utility was serving outside of its certificated territory, MIU immediately filed the instant application to correct that oversight by requesting the territory be added to its service area. Additionally, the Utility has paid RAFs on these customers.

Based on the foregoing, the Utility’s apparent violation of Section 367.045(2), F.S., does not rise to the level which warrants the initiation of a show cause proceeding. Therefore, Merritt Island Utility Company, Inc. shall not be required to show cause for failure to obtain an amended certificate of authorization prior to serving outside of its certificated territory.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Merritt Island Utility Company, Inc.’s application to amend Certificate No. 137-S is hereby approved effective May 8, 2018, as set forth herein. It is further

ORDERED that this Order shall serve as Merritt Island Utility Company, Inc.’s amended certificate and shall be retained by the Utility. It is further

ORDERED that Merritt Island Utility Company, Inc. shall continue charging the customers in the territory added herein the rates and charges contained in its currently approved tariffs until a change is authorized by this Commission in a subsequent proceeding. It is further

ORDERED that a show cause proceeding for Merritt Island Utility Company, Inc.’s apparent violation of Section 367.045, F.S., shall not be initiated. It is further

ORDERED that this docket shall be closed.

By ORDER of the Florida Public Service Commission this 10th day of May, 2018.
