DOCKET NO. 20170236-EU
ORDER NO. PSC-2018-0454-PCO-EU
ISSUED: September 6, 2018

ORDER GRANTING INTERVENTION
TO INDIAN RIVER COUNTY BOARD OF COUNTY COMMISSIONERS

On August 27, 2018, the Indian River County Board of County Commissioners (Board) filed an unopposed Petition to Intervene in Docket Nos. 20170235-EI and 20170236-EU. The Board asserts that, pursuant to Section 120.52(13)(d), Florida Statutes, it has a right to party status in this proceeding because it is a county representative for a large number of county residents who will be affected by the Florida Public Service Commission's (Commission) decision in these dockets. The Board asserts that it is also an electric customer affected by this Commission's decisions in these dockets. Upon review of the Petition, I find the Board is entitled to intervene. Therefore, I shall grant the Board's Petition to Intervene.

Therefore, it is

ORDERED by Commissioner Gary F. Clark, as Prehearing Officer, that the Indian River County Board of County Commissioners Petition to Intervene is granted. It is further

ORDERED that the Indian River County Board of County Commissioners takes the case as it finds it. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
