

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for evaluation of Hurricane  
Dorian storm costs, by Florida Power & Light  
Company.

DOCKET NO. 20200172-EI  
ORDER NO. PSC-2020-0418-PCO-EI  
ISSUED: November 6, 2020

ORDER GRANTING MOTION TO EXTEND DUE DATES  
AND FIRST ORDER MODIFYING ORDER ESTABLISHING PROCEDURE

On September 14, 2020, Order No. PSC-2020-0311-PCO-EI was issued, setting this matter for an administrative hearing and establishing controlling dates for prehearing activities, including the filing of testimony and exhibits. On October 23, 2020, the Office of Public Counsel (OPC) filed a Motion to Extend Due Dates for Testimony and Exhibits Established by Order No. PSC-2020-0311-PCO-EI (Motion). In its Motion, OPC is requesting that the filing dates for Intervenors' testimony and exhibits, staff testimony and exhibits, and rebuttal testimony and exhibits be modified as follows:

<u>Event</u>	<u>Current</u>	<u>Modified</u>
Intervenors' testimony and exhibits	November 30, 2020	December 8, 2020
Staff testimony and exhibits	December 11, 2020	December 22, 2020
Rebuttal testimony and exhibits	January 5, 2020	January 12, 2021

As support for its request, OPC states that it only recently received responses to its first set of discovery and needs additional time to conduct further discovery and prepare its testimony and exhibits. OPC avers that Florida Power & Light Company (FPL) also needs additional time to conduct further discovery and prepare its responsive testimony. OPC states that it and FPL have reached consensus on the proposed dates and believe they are in the best interest of both parties.

Having reviewed OPC's Motion, it appears that the request is reasonable and will not prejudice either the parties or Commission staff. Therefore, Section VIII, Controlling Dates, of Order No. PSC-2020-0311-PCO-EI, is modified as follows:

**VII. Controlling Dates**

The following dates have been established to govern the key activities of this case:

- |     |  |                   |
|-----|--|-------------------|
| (2) | Intervenors' testimony and exhibits    | December 8, 2020  |
| (3) | Staff's testimony and exhibits, if any | December 22, 2020 |
| (4) | Rebuttal testimony and exhibits        | January 12, 2021  |

Order No. PSC-2020-0311-PCO-EI is reaffirmed to the extent not inconsistent with this order.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 6th day of November, 2020.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
