DOCKET NO. 20200001-EI  
ORDER NO. PSC-2020-0497-CFO-EI  
ISSUED: December 14, 2020

ORDER GRANTING GULF POWER COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 04054-2020)

On July 27, 2020, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Gulf Power Company (Gulf) filed a request for Confidential Classification (Request) of information contained in Schedule CCE-4 of Exhibit RLH-3 attached to the testimony of C. Richard Hume dated July 27, 2020 (Document No. 04054-2020).

Request for Confidential Classification

Gulf contends that the information contained in Schedule CCE-4 of Exhibit RLH-3 attached to the testimony of C. Richard Hume dated July 27, 2020, more specifically described in Exhibit C to its Request, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. Gulf asserts that this information is intended to be and is treated by Gulf as private and has not been publicly disclosed.

The information contained in Schedule CCE-4 of Exhibit RLH-3 consists of information regarding the pricing terms for capacity contracts which were active in 2020. Gulf argues that this information is protected by Subsections 366.093(3)(d) and (e), F.S.

Ruling

Subsection 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Subsection 366.093(3), F.S., Gulf defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Subsection 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the information and data provided in this request satisfies the criteria set forth in Subsection 366.093(3), F.S., for classification as proprietary confidential business information. The pricing terms of the capacity contracts appear to be “information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms” and “information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Thus the information identified in Document No. 04054-2020 shall be granted confidential classification.

Pursuant to Subsection 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Subsection 119.07(1), F.S., unless Gulf or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Andrew Giles Fay, as Prehearing Officer, that Gulf Power Company’s Request for Confidential Classification of Document No. 04054-2020, is granted, as set forth herein. It is further

ORDERED that the information in Document No. 04054-2020 for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Andrew Giles Fay, as Prehearing Officer, this 14th day of December, 2020.
