

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for evaluation of Hurricane
Dorian storm costs, by Florida Power & Light
Company.

DOCKET NO. 20200172-EI
ORDER NO. PSC-2021-0053-CFO-EI
ISSUED: January 25, 2021

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 11409-2020)

On October 20, 2020, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a request for Confidential Classification (Request) of information provided in response to the Office of the Public Counsel's (OPC) First Request for Production of Documents No. 15 (Document No. 11409-2020).

Request for Confidential Classification

FPL contends that the information contained in its response to OPC's First Request for Production of Documents No. 15, more specifically described in Exhibit C to its Request, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. FPL asserts that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

The information contained in the response to the OPC's First Request for Production of Documents No. 15 contains all invoices over \$10,000 for any contractor, utilities or other vendors related to Hurricane Dorian restoration work. FPL argues that this information is protected by Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., FPL defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The vendor pricing information provided, if disclosed, could adversely impact FPL's competitive interests as well as the competitive interests of its vendors. Further, disclosure of this information could result in higher prices for similar services in the future. Thus, the information identified in Document No. 11409-2020 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 11409-2020, is granted, as set forth herein. It is further

ORDERED that the information in Document No. 11409-2020 for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 25th day of January, 2021.
