In re: Petition for rate increase by Florida City  
Gas.

DOCKET NO. 20220069-GU  
ORDER NO. PSC-2022-0312-CFO-GU  
ISSUED: August 29, 2022

ORDER GRANTING FLORIDA CITY GAS'  
REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 05337-2022)

On August 9, 2022, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida City Gas (FCG) filed a Request for Confidential Classification (Request) of information contained in its response to the Federal Executive Agencies' Second Request for Production of Documents No. 12. (Document No. 05337-2022). This request was filed in Docket No. 20220069-GU.

Request for Confidential Classification

FCG contends that the information contained in its discovery response as detailed above constitutes proprietary and confidential business information entitled to protection under Subsection 366.093(3), F.S., and Rule 25-22.006, F.A.C. FCG asserts that this information is intended to be and is treated by FCG as private and has not been publicly disclosed.

FCG contends that the response contains certain information relating to competitive interests related to the pension plan balances and earnings. FCG argues that such information is entitled to confidential classification pursuant to Paragraph 366.093(3)(e), F.S.

Ruling

Subsection 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Subsection 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Subsection 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Subsection 366.093(3), F.S., for classification as proprietary confidential business information.

The information described above and in FCG's Request appears to contain information concerning competitive interests. Thus, the information identified in Document No. 05337-2022 shall be granted confidential classification.

Pursuant to Subsection 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Subsection 119.07(1), F.S., unless FCG or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Chairman Andrew Giles Fay as Prehearing Officer, that Florida City Gas' Request for Confidential Classification of Document No. 05337-2022 is granted. It is further

ORDERED that the information in Document No. 05337-2022 for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Subsection 119.07(1), F.S., unless Florida City Gas or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Chairman Andrew Giles Fay, as Prehearing Officer, this 29th day of August, 2022.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
