In re: Petition for rate increase by Florida
Power & Light Company.

DOCKET NO. 20210015-EI
ORDER NO. PSC-2023-0033-CFO-EI
ISSUED: January 10, 2023

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 11240-2021)

On September 16, 2021, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a Request for Confidential Classification (Request) of certain information contained in responses to the League of United Latin American Citizens (LULAC), the Environmental Confederation of Southwest Florida (ECOSWF) and Florida Rising, Inc.'s (FR) informal data request which included workpapers for FPL's Exhibit No. KS-4 (Document No. 11023-2021). These workpapers are attached to a Stipulation Between FPL and LULAC/ECOSWF/FR dated August 20, 2021, admitted into evidence at trial as Exhibit No. 591.

Request for Confidential Classification

FPL contends that certain information contained in workpapers for FPL's Exhibit No. KS-4 constitutes proprietary and confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. FPL asserts that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

FPL contends that certain information in the workpapers for FPL's Exhibit No. KS-4 consists of personnel salaries and salary benchmarking analyses whose disclosure would impair FPL's ability to attract and retain the personnel necessary to provide safe, reliable and affordable service to its customers. On this basis, FPL argues that this information is protected by Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in FPL's Request appears to contain information relating to competitive interests, the disclosure of which would impair the competitive business of FPL as well as the provider of the information. Thus, the information identified in Document No. 11240-2021 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Gary F. Clark, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 11240-2021 is granted. It is further

ORDERED that the information in Document No. 11240-2021, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Florida Power & Light Company or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 10th day of January, 2023.
