In re: Request for confidentiality of
information associated with Tropical Storm
Alex, by Florida Power & Light Company.

DOCKET NO. 20230130-EI
ORDER NO. PSC-2024-0023-CFO-EI
ISSUED: January 23, 2024

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF DOCUMENT NO. 05910-2023

On October 31, 2023, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a Request for Confidential Classification (Request) of information contained in FPL's confidential spreadsheets and contractor travel logs that support FPL's storm restoration costs for Tropical Storm Alex. Specifically, FPL seeks confidential classification of Docket No. 05910-2023.

Request for Confidential Classification

FPL contends that Document No. 05910-2023 contains certain information that constitutes "proprietary and confidential business information" entitled to protection under Section 366.093, F.S. FPL states that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

FPL further contends that Document No. 05910-2023 contains information concerning contractual data, the disclosures of which would impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. FPL asserts that this information is entitled to confidential classification pursuant to Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Section 119.07(1), F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in FPL's Request appears to concern bids or other contractual data, the disclosure of which would impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms, and information relating to competitive interests, the disclosure of which would impair the competitive business of FPL. Thus, the information identified in Document No. 05910-2023 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Gary F. Clark, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 05910-2023 is granted. It is further

ORDERED that the information in Document No. 05910-2023, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein. It is further

ORDERED that this docket shall be closed.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 23rd day of January, 2024.
