DOCKET NO. 20240001-EI
ORDER NO. PSC-2024-0461-CFO-EI
ISSUED: October 29, 2024

ORDER GRANTING FLORIDA PUBLIC UTILITIES COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 09518-2024)

On October 14, 2024, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Public Utilities Company (FPUC) filed a Request for Confidential Classification (Request) of portions of materials contained in its response to Staff's First Request for Documents No. 1 (Document No. 09518-2024).

Request for Confidential Classification

FPUC contends that portions of the information contained in its response to Staff's First Request for Documents No. 1 constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. FPUC asserts that this information is intended to be and is treated by FPUC as private and has not been publicly disclosed.

The information contained in FPUC's response to Staff's First Request for Documents No. 1 consists of the May 2024 All Requirements Power and Energy Agreement (Agreement) with Florida Power & Light Company and the August 2024 First Amendment to that Agreement. Section 17(q) of the Agreement states that the pricing and delivery terms of the Agreement will be treated as trade secrets under Florida law. FPUC argues that this information, if disclosed, would adversely affect the Company, violate the terms of the Agreement, and impair the ability of FPUC to negotiate similar contracts in the future. Thus, FPUC states that this information is protected by Paragraphs 366.093(3)(a) and (d), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (a) Trade secrets.

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

Upon review, it appears the information and data provided in this request satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information regarding FPUC's May 2024 All Requirements Power and Energy Agreement and the August 2024 First Amendment to that Agreement appears to be "information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" and a trade secret. Thus, the information identified in Document No. 09518-2024 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPUC or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Gabriella Passidomo, as Prehearing Officer, that Florida Public Utilities Company's Request for Confidential Classification of Document No. 09518-2024, is granted, as set forth herein. It is further

ORDERED that the information in Document No. 09518-2024, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gabriella Passidomo, as Prehearing Officer, this 29th day of October, 2024.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
