BY ELECTRONIC FILING

Ms. Beth Salak, Director
Division of Competitive Markets and Enforcement
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0866

Dear Ms. Salak:

Attached for filing with the Commission are revisions to the AT&T Communications of the Southern States General Services Tariff to be effective July 2, 2007. The revisions are as follows:

Section A3 First Revised Page 32

This filing revises rates for the Expanded Local Service Overlay Plan. If you have any questions regarding this filing, please do not hesitate to give me a call.

Best regards,

Nancy H. Sims

A3. OPTIONAL CALLING PLANS

A3.21 AT&T Expanded Local Service Overlay Plan

A3.21.1 General

AT&T will offer the AT&T Expanded Local Service Overlay Plan to residential customers who are enrolled in one of the AT&T Residential Local Service Offers as provided in the AT&T Local Exchange Services Tariff.

Customers who subscribe to this service must obtain their local, intrastate intraLATA, and interLATA service from AT&T and continuously maintain their wireline Main Billed Account with AT&T.

A3.21.2 Rates and Charges

Customers will receive the benefit of unlimited direct dialed service within the Expanded Local Service Area as defined below, and will be billed a Monthly Recurring Charge of \$12.95 per line. Billing call detail will not be provided under this plan. (1)

In addition to the customer's local calling area as defined in the AT&T Local Exchange Services Tariff, Section 3, the Expanded Local Service Area consists of the customer's home LATA as well.

Upon appropriate customer notification regarding customer's usage, AT&T reserves the right to adjust a customer's service.

A3.21.3 Limitations

If at any time the customer selects a carrier other than AT&T as their Local Exchange Carrier, intrastate intraLATA Carrier, or interLATA carrier, the customer's participation in this plan will be terminated. This offer is only available to customers residing in the local exchange service areas served by AT&T and is provided where facilities and billing capabilities exist.
