ORDER CLOSING DOCKET

BY THE COMMISSION:

On August 28, 1986, Meadowbrook Utility Systems, Inc. (Meadowbrook) served notice of its intent to apply for an extension to its service territory pursuant to Section 367.061, Florida Statutes. By letter dated September 4, 1986, the County of Palm Beach (County) objected to Meadowbrook's notice. Beginning in early 1987, the parties engaged in a lengthy series of negotiations in an attempt to informally resolve the County's objection.

By January of 1988, it appeared that the parties would be unable to resolve their differences and the matter was set for an administrative hearing pursuant to Section 120.57(1), Florida Statutes. This case is currently scheduled for a formal hearing on February 20, 1989.

During the pendency of this proceeding, the County and Meadowbrook continued in their attempts to resolve this matter informally. Recently, the parties arrived at an agreement for the County to purchase Meadowbrook. The sale was expected to close during the week of December 19, 1988. (Subsequent to our vote at the January 3, 1989 Agenda Conference, we were informed that the sale closed on December 29, 1988.)

On December 8, 1988, Meadowbrook filed a Notice of Withdrawal of Notice of Intent. By this notice, Meadowbrook withdrew its August 28, 1988 notice of its intent to apply for an extension to its service territory.

Since Meadowbrook has withdrawn its notice, the County's objection is rendered moot. Accordingly, we find that no further action is required in this docket. It is, therefore, closed.

Based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that Docket No. 861219-WS be and is hereby closed.
