ORDER CANCELLING CERTIFICATE NO. 897

By petition dated November 10, 1988, Econ-o-Dial, Inc., requested the cancellation of its Certificate of Public Convenience and Necessity No. 897. Econ-o-Dial, Inc. represents that it is no longer conducting any business operations as a long distance company and does not intend to conduct any such operations in the future. Econ-o-Dial, Inc. stated that it has notified each customer of the discontinuance of service and that all customer accounts were assumed by Telesystems, Inc. with proper credit given for any customer deposits, advance payments or other credits. Because Econ-o-Dial, Inc. has indicated that it cannot locate its certificate, we will not require its surrender as a condition of cancellation. We have determined that Econ-o-Dial, Inc. has paid all regulatory assessment fees due this Commission. For these reasons, we will grant Econ-o-Dial Inc.'s request and cancel its certificate.

It is, therefore,

ORDERED by the Florida Public Service Commission that the request of Econ-o-Dial, Inc. for the cancellation of its Certificate of Public Convenience and Necessity No. 897 is hereby approved. It is further

ORDERED that if said certificate is located, it shall be surrendered to the Commission. It is further

ORDERED that this docket be closed.

By ORDER of the Florida Public Service Commission,
 this 8th day of FEBRUARY, 1989.
