ORDER SUSPENDING TARIFF REVISIONS

BY THE COMMISSION:

By Order No. 20475, issued December 20, 1988, we required local exchange companies to file revisions to their tariffs governing mobile interconnection. Order No. 20475 also stated that these revisions were to become effective no later than 60 days after it was issued, and therefore their effective date would have been February 18, 1989. Pursuant to Order No. 20475, Southern Bell Telephone & Telegraph Company (Bell), Central Telephone Company of Florida, United Telephone Company of Florida and GTE Florida Incorporated have filed tariff revisions (the Revisions).

Bell has timely filed a Motion for Reconsideration of Order No. 20475, and three parties to this docket have timely filed responses to this motion. One responding party, McCaw Cellular Communications, Inc., also filed a Cross Motion. We are scheduled to consider our Staff's recommendation concerning these pleadings at our February 21, 1989 Agenda Conference. However, this date falls three days after the proposed effective date of the Revisions.

Based on its preliminary review, Staff has noted several deficiencies in the Revisions which have been brought to our attention. For this reason and also because our decision on reconsideration may require modifications to the Revisions, we suspend the Revisions. This action will allow sufficient time for the parties to respond to the Cross Motion and for the local exchange companies to implement our decision on reconsideration in the event that modifications to the Revisions are deemed appropriate.

Therefore, it is

ORDERED by the Florida Public Service Commission that the tariff revisions filed by Southern Bell Telephone and Telegraph Company, Central Telephone Company of Florida, United Telephone Company of Florida and GTE Florida Incorporated pursuant to Order No. 20475, issued December 20, 1988, are hereby suspended. It is further

ORDERED that this docket should remain open for other proceedings.
