ORDER EXTENDING FILING DATE

BY THE COMMISSION:

On October 10, 1988, Utilities Inc. of Florida (Crownwood), hereinafter referred to as "utility", filed an application for a staff assisted rate case. The case was originally filed for the utility's Crownwood system but was expanded, with the agreement of the utility, to include the Golden Hills system since the two systems are connected.

By letter dated December 7, 1988, the utility requested a sixty day extension of the case assignment schedule for this docket to avoid conflicts with some of the utility's other year-end commitments. We find it appropriate to grant the utility's request and modify the official date of filing from December 7, 1988 to February 7, 1989.

Wherefore, in consideration of the foregoing, it is

ORDERED by the Florida Public Service Commission that the official date of filing in Docket No. 881324-WS is hereby modified from December 7, 1988 to February 7, 1989.

By ORDER of the Florida Public Service Commission, this 15th day of MARCH, 1989.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
