NOTICE OF PROPOSED AGENCY ACTION

ORDER APPROVING PARTICIPATION BY FINANCIAL
INSTITUTION IN THE ENERGY CONSERVATION
LOAN TEST PROGRAM

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

By Order No. 17478, issued April 29, 1987, this Commission granted authority to the Peoples Bank of Lakeland (Bank) to issue loans under the Energy Conservation Loan Test Program (ECLTP). These loans are designed to finance energy efficiency improvements for residential dwellings in the City of Lakeland Utilities' service area. The Bank was initially approved to issue \$150,000 in ECLTP covered loans for the fiscal year ending June 30, 1987. The Bank was approved to issue an additional \$150,000 for loans in the fiscal year ending June 30, 1988, by Order No. 19483.

By letter dated January 30, 1989, the Bank requested additional funds, having committed to loans up to the \$300,000 limit. The Bank anticipates that it will loan no more than \$500,000 during this fiscal year ending June 30, 1989, and requests an additional \$200,000 for guaranteed loans.

Having reviewed the request by the Bank for participation in the ECLTP, we find that the Bank has demonstrated its ability to make and maintain loans under the program up to the specified limit.

It is, therefore,

ORDERED by the Florida Public Service Commission that the request of the Peoples Bank of Lakeland for approval to loan up to \$500,000 in the Energy Conservation Loan Test Program during the fiscal year ending June 30, 1989, is hereby granted. It is further
