PETITION THAT PROCEEDING BE
ASSIGNED TO THE FULL COMMISSION

AGRICO CHEMICAL COMPANY, a division of Freeport-McMoRan Resources Partners Limited Partnership (Agrico), through its undersigned attorney, files this Petition That Proceeding Be Assigned to the Full Commission and says:

1. This Petition is authorized by 350.01, F.S. and 25-22.0355 F.A.C.
2. The Case Assignment and Scheduling Record dated 5/16/89, indicates that the Chairman has assigned this proceeding to a panel of three Commissioners.
3. Agrico specifically requests that the full Commission be assigned to this proceeding.
4. The justification for requesting the full Commission to sit in this proceeding is the potential impact of the proceeding on the needs of the consuming public, value of the service involved, the effect on consumer relations, regulatory policies, conservation, economy, competition, public health, and safety of the area involved.

5. The effect of implementing TECO's request herein, among other things, would be to require an existing facility to take electricity from more than one company. This is unprecedented in Florida, we believe, and we know is without precedent in the phosphate industry in Florida.

WHEREFORE, and with great respect for the Chairman and the assigned panel, Agrico requests that the Commission determine that the full Commission shall sit in this proceeding.
