NOTICE OF PROPOSED AGENCY ACTION

ORDER CANCELLING CERTIFICATE  
FOR FAILURE TO COMPLY WITH AGENCY RULES

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceedings pursuant to Rule 25-22.029, Florida Administrative Code.

These dockets were initiated pursuant to requests filed by the Staff to cancel the respective companies' certificates of public convenience and necessity, authorizing the provision of

pay telephone service. Each of the respective companies listed in the caption of this Order has been approved to hold a certificate issued by the Commission. However, either the certificate, the regulatory assessment fee billing, or both, have been returned as undeliverable by the Post Office.

The return of these materials indicated that each company may have violated Rule 25-24.520(1)(a), Florida Administrative Code, which requires the reporting to us of an address change within ten (10) days of its effectiveness. Accordingly, our Staff attempted to reach the contact person of each of these companies by telephone. These efforts were unsuccessful, furnishing evidence that each company may have also violated Rule 25-24.520(1)(b), Florida Administrative Code, which requires the reporting to us of a change in the name, title or telephone number of the individual responsible for Commission contacts.

Based on this evidence of violations of the Commission's Rules by each of these companies, our Staff has recommended that we cancel these certificates, pursuant to Rule 25-24.514(1)(b), Florida Administrative Code. We believe it to be of paramount importance that PATS companies remain diligent in furnishing the current information necessary to make contact with their representatives. Therefore, we approve our Staff's request to cancel the certificate of public convenience and necessity to provide pay telephone service of:

and the same are hereby cancelled. Each company with a certificate in its possession is hereby directed to return it forthwith to the Commission.

Our cancellation of the certificates and the closing of these dockets in no way diminishes the above companies' obligations to pay applicable delinquent regulatory assessment fees.

The dockets listed in this Order will be closed following expiration of the period specified in this Order unless an appropriate petition for hearing, protesting a specific docket, is filed by one whose substantial interests may or will be affected by this proposed agency action, as provided by Florida Administrative Code Rules 25-22.029 and 25-22.036(7)(a). A petition protesting the action proposed here with regard to a specific docket filed by one whose substantial interests are affected will not prevent our proposed action from becoming final as to any other docket listed in this Order.

It is, therefore,

ORDERED by the Florida Public Service Commission that the certificates listed in the caption of this Order will be cancelled unless an appropriate petition is filed during the period specified below. It is further

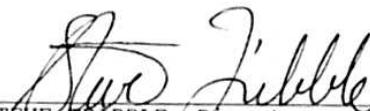

ORDERED that a petition protesting our action ordered above with regard to a specific docket, filed by one whose substantial interests are affected, will not prevent such action from becoming final as to the other dockets listed in the Order.

provided by Rule 25-22.029(6), Florida Administrative Code, and as reflected in a subsequent order.
