AMENDATORY ORDER

BY THE COMMISSION:

By Order No. 21518, issued July 7, 1989, this Commission directed Southern Bell Telephone and Telegraph Company (Southern Bell) and ALLTEL Florida, Inc. (ALLTEL) to implement extended area service (EAS) between the Hastings exchange and the St. Augustine exchange, upon terms and conditions specified in that Order.

Shortly after issuance of Order No. 21518, one of the companies called our attention to an error in the date we specified for implementation of EAS along this route. Specifically, ALLTEL questioned our requirement in Order No. 21518 that EAS be implemented within twelve (12) months of the issuance date of Order No. 20153, or by October 12, 1989.

Upon review, we find that the EAS implementation deadline stated in Order No. 21518 is incorrect. Southern Bell and ALLTEL are hereby directed to implement an EAS plan along the Hastings to St. Augustine route that meets the requirements of Order No. 21518 within twelve (12) months of the issuance date of Order No. 21518.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. 21518 is amended to the extent outlined in the body of this Order. It is further

ORDERED that Order No. 21518 is affirmed in all other respects. It is further

ORDERED that this docket shall remain closed.
