ORDER IMPOSING FINE FOR FAILURE
TO COMPLY WITH 1987 ANNUAL REPORT REQUIREMENTS

BY THE COMMISSION:

On June 26, 1989, in Order No. 21442, this Commission ordered Naples Industrial Park, Ltd., ("Naples"), a Class C utility, to show cause why it should not be fined at least \$3.00 per day, to a total of \$2,500, for failure to timely file its 1987 annual report as required by Rule 25-30.110, Florida Administrative Code. That order states that a failure to file a timely written response would constitute an admission of the facts alleged and a waiver of any right to a hearing. Naples did not file a response nor has it filed its 1987 annual report. We have previously fined Naples for its failure to file its 1986 annual report.

We find that Naples, by its failure to file any response to the show cause order, has admitted the facts alleged therein. We further find that Naples has not filed a 1987 annual report. Under Rule 25-30.110(7), Florida Administrative Code, the standard fine for a Class C utility for failure to file an annual report is \$3.00 per day. The Commission may, pursuant to Rule 25-30.110(6)(c), Florida Administrative Code, impose greater or lesser penalties.

There is no reason known to us why fines should not be imposed upon Naples and calculated according to the Rule formula. Therefore, we find it appropriate to fine Naples and that fine should continue to accrue at the rate of \$3.00 per day until Naples files its 1987 annual report or until a maximum fine of \$2,500 has accrued.

In consideration of the foregoing, it is

ORDERED by the Florida Public Service Commission that Naples Industrial Park, Ltd., is hereby assessed a fine for

failure to file its 1987 annual report, which fine shall continue to accrue at the rate of \$3.00 per day until Naples files its 1987 annual report or until a total fine of \$2,500 has accrued.
