ORDER CLOSING DOCKET

BY THE COMMISSION:

On July 10, 1989, Intercoastal Utilities, Inc. (Intercoastal or Utility) filed an application with this Commission for amendment of Certificates Nos. 463-W and 399-S to include additional territory in St. Johns County. Docket No. 890871-WS was opened to consider the application.

On July 24, 1989, Intercoastal filed another application for amendment of its Certificates in St. Johns County to include the additional territory set forth in the Master Plan, submitted with its first application. Docket No. 890969-WS was opened to consider this application.

The Utility filed a Motion for Consolidation of Dockets Nos. 890871-WS and 890969-WS on July 24, 1989. In its Motion, Intercoastal stated that all of the pleadings and exhibits filed in the dockets are identical, with the exception of the filing fee, territory description and notice requirements. The Utility further stated that consolidation of Dockets Nos. 890871-WS and 890969-WS would save administrative, copying and space utilization. After consideration of the applications and Motion for Consolidation, Order No. 21778 was issued on August 23, 1989, consolidating the Dockets. Since the Dockets have been consolidated and both applications are being considered in Docket No. 890969-WS, Docket No. 890871-WS should be closed.

It is, therefore,
