ORDER CLOSING DOCKET

On October 18, 1989, Hobe Sound Water Company (utility) requested approval of a projected test year ended October 31, 1990, based on an historical year ended October 31, 1988, for its proposed rate case filing. The utility was seeking a rate increase because it is replacing substantially all of its original treatment and storage facilities. The plant improvements were originally expected to be placed in service by September, 1989. However, the utility has had some delay in completing the project, and it is not anticipated to be completed until December, 1989. By letter dated November 8, 1989, the utility withdrew its test year request.

We hereby approve the utility's withdrawal of the test year request. Since the docket was opened to process the rate application and the application will not be forthcoming, this docket may be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Docket No. 891202-WU be and is hereby closed.

By ORDER of the Florida Public Service Commission this 29th day of NOVEMBER, 1989.
