REQUEST FOR ORAL ARGUMENT

Pursuant to Florida Administrative Code Rule 25-22.060(1)(f), Florida Power & Light Company ("FPL") requests oral argument on its Motion for Reconsideration and Stay of Order No. 22268 filed contemporaneously with this request. As grounds therefore, FPL states:

FPL has filed a detailed and lengthy motion for reconsideration with considerable documentation attached to the motion. The arguments presented in the motion are complex. They require command of not only case law and statutes but also the various documents attached to the motion. The Commission's consideration of FPL's motion, as well as counterarguments likely to be offered by other parties, will be aided by oral argument.

Respectfully submitted,
