RE : DOCKET NO. 890646-EI - REQUEST THAT PROCEEDING BE
ASSIGNED TO THE FULL COMMISSION

This docket concerns a territorial dispute between TECO and FPC regarding service on the property of Agrico Chemical Company. The parties in this docket have reached a settlement which is contingent upon a tariff filing. Both the tariff filing (Docket No. 891300-EI) and the territorial settlement will be before the Commission at the February 6, 1990 agenda conference. The tariff docket however is set before the full commission. The territorial dispute docket is before a panel with Commissioner Beard as Prehearing Officer.

Agrico as intervenor has filed a motion that the proceeding in Docket No. 890646-EI be assigned to the full Commission. Staff believes the motion should be granted so that the territorial docket (890646-EI) and the tariff docket (891300-EI) can be considered together by the Commissioners.
