ORDER RESOLVING SHOW CAUSE

BY THE COMMISSION:

In Order No. 21999, this Commission ordered Sunshine Shell to show cause why it should not be fined for failing to file an annual report and for failing to respond to any of three notices requesting filing of said report. The company replied to the order in a timely manner and the docket was set for a hearing. After the docketing of the hearing, Staff Counsel contacted the company in an effort to settle the matter without a hearing.

Pursuant to conversations with the company, it was determined that the notices requesting compliance with the annual report requirements were sent to the wrong address. Further, the company has filed an annual report for 1989 which shows the information required by the Commission.

If we had sent the report reminder to the correct address and the company had complied therewith, we would have imposed no sanction. Therefore, we believe that it would be appropriate to dismiss this show cause action.

If the show cause proceeding is dismissed, there will be no pending matters in this docket and the docket should be closed.

Based on the foregoing, it is hereby

ORDERED that the Show Cause proceeding against Sunshine Shell is hereby dismissed. It is further
