RE: DOCKET NO. 890737-PU - IMPLEMENTATION OF SECTION 366.80
-.85, FLORIDA STATUTES, CONSERVATION ACTIVITIES.

On November 14, 1989, the Commission issued Order No. 22176 requiring certain electric and gas utilities to file conservation programs by February 14, 1990. Parties to that docket objected to certain language in the order and a Section 120.57(2), Florida Statutes, proceeding was held. This proceeding culminated in the issuance of Order No. 22586, issued on February 21, 1990. The time to file a notice of appeal of that order ran on March 23, 1990. No such notice has been filed. All electric and gas utilities required by Order No. 22176 to file conservation programs for Commission approval have done so.

This docket can now be closed.
