

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition of GULF POWER)
COMPANY an increase in its rates)
and charges.)

DOCKET NO. 891345-EI

Filed: April 24, 1990

**JOINT MOTION OF THE OFFICE OF PUBLIC
COUNSEL AND THE INDUSTRIAL INTERVENORS
FOR AN EXTENSION OF TIME TO FILE TESTIMONY**

The Office of Public Counsel and the Industrial Intervenors, through their undersigned counsel, file this motion for extension of time to file testimony. In support thereof, they state:

1. Direct testimony addressing the areas of cost of service methodology and rate design is currently due in this docket on April 27, 1990.

2. Because of the complexity of the issues in this docket and the amount of material which must be analyzed, including additional cost of service-related information only now available through discovery from Gulf Power Company, Public Counsel and the Industrial Intervenors request a short extension of time to May 2 to file the cost of service/rate design testimony of Scheffel Wright and Jeffrey Pollock, respectively.

3. So that the opportunity of the movants and other parties to respond to this testimony is not impaired, Public Counsel and the Industrial Intervenors further request a corresponding short extension of the time for rebuttal to this cost of service/rate

design testimony. Rebuttal is now due on May 15. Public Counsel and the Industrial Intervenors request an extension to May 21.

4. These brief extensions will not prejudice any party or affect the hearing schedule in this case.

5. The undersigned are authorized to represent that neither Gulf Power Company or Staff objects to this motion. The undersigned have been unable to contact the attorney for the Federal Executive Agencies of the United States.

WHEREFORE, Public Counsel and the Industrial Intervenors request that the Commission enter an order extending the filing date for the cost of service rate design testimony of Mr. Wright and Mr. Pollock to May 2 and the deadline for rebuttal to this testimony to May 21.
