ORDER CLOSING DOCKET

BY THE COMMISSION:

This docket was initiated to require the filing of modified minimum filing requirements (MMFRs) by Gulf Power Company (Gulf) in compliance with Section 366.06, Florida Statutes (1989).

On February 1, 1990 Gulf filed its Petition to Close Docket, on the ground that full minimum filing requirements had already been filed in its rate case.

We agree with Gulf that with the filing of its full revenue rate case (including the filing of petitions, proposed rate schedules, testimony, and minimum filing requirements), it has essentially complied with Section 366.06, Florida Statutes. As we stated in Order No. 21839:

The only circumstances under which the utility may be relieved from filing the report is with the filing of a petition, tariffs, and the minimum filing requirements necessary to initiate a rate increase or a rate decrease prior to the March 30, 1990 deadline.

(Order No. 21839 at page 3)

As per Order No. 21839, Gulf is relieved from filing its MMFRs, and this docket should be closed.
