ORDER CLOSING DOCKET

On May 29, 1990, Continental Utility, Inc. (Continental) filed a petition seeking an adjustment to its gallonage charge which was established in the utility's last full rate proceeding by Order No. 21680, issued August 4, 1989. Staff relayed its concerns to Continental that the petition did not provide any information about revenues derived from the base facility charge, did not show that it was earning below its last authorized rate of return, and was based on only four months of data and thus too short a period to be representative of consumption. Staff subsequently filed its recommendation to deny the petition.

By Notice filed on June 4, 1990, Continental withdrew its petition, indicating it would refile in the future. We acknowledge the Notice and will close this docket since there is no further action to be taken in it.

It is, therefore,

ORDERED by the Florida Public Service Commission that Docket No. 900230-WU is hereby closed.

By ORDER of the Florida Public Service Commission
