NOTICE OF PROPOSED AGENCY ACTION

ORDER REQUIRING FLORIDA PUBLIC UTILITIES
COMPANY TO FILE REPORT IN COMPLIANCE
WITH SECTION 366.06(3), FLORIDA STATUTES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

During its 1989 sunset review of the Public Service Commission, the Florida Legislature enacted Section 366.06(3)(a), Florida Statutes, which requires each public natural gas utility with total annual sales in excess of 50 million therms to file a report every four years, or four years from its most recently completed rate case. Smaller gas utilities are required to file on a five year basis. The report is to consist of, at a minimum, the modified minimum filing requirements (Modified MFRs) then required by the Commission by rule, for rate proceedings pursuant to Section

366.06, Florida Statutes. Copies of the report are to be filed with the Commission and served on the Public Counsel and each party to the utility's most recent rate case. Within 10 days of the receipt of the report, we must make copies available to the public at no more than the actual costs of reproducing the report.

Section 366.06(3)(b), Florida Statutes, requires that we implement this reporting procedure for all public utilities within 18 months of the effective date of the act, which was October 1, 1989. Approximately one-third of the public utilities are required to file each six months after the effective date of the act in order to implement this statute. The statute further provides that the time interval since each utility's last rate case shall be considered in determining the order of filing of the particular public utility.

We have determined that Florida Public Utilities Company should be included in the second six month period ending September 30, 1990.

We have attached to this order as Attachment 1 the Modified MFR form entitled "Report in Compliance with Section 366.06(3)(a), Florida Statutes" which shall be completed by the utility and filed with the Commission on or before September 30, 1990.

The data requested in the Modified MFRs will provide sufficient information on each utility's rate base, net operating income, and cost of capital that the Commission and other interested parties may perform a sound analysis of the utility's earnings. They are far less exhaustive than the complete MFRs for a rate proceeding. The report to be filed by Florida Public Utilities Company must cover the year ending December 31, 1989. Because investment and changes to net operating income in the gas industry tend to be in fairly small increments, and tend to occur gradually, we will not require natural gas public utilities to provide projected data.

Pursuant to Section 366.06(3)(a), Florida Statutes, the utility is required to serve a copy of the report on the Public Counsel and each party to its most recent rate case. The utility shall also file twenty copies with this Commission's Division of Records and Reporting.

ORDER NO. 23189
 DOCKET NO. 900422-GU
 PAGE 3

The utility may only be relieved from filing its Modified MFR report if it files the minimum filing requirement necessary to initiate a rate increase or a rate decrease prior to the September 30, 1990 filing deadline. Because section 366.06 requires the filing of the report within the six month period ending September 30, 1990, no extension of time will be granted beyond the deadline.

Based on the above, it is

ORDERED by the Florida Public Service Commission that Florida Public Utilities Company file its report in compliance with Section 366.06(3), Florida Statutes, on or before September 30, 1990, as set forth in the body of this Order.

By ORDER of the Florida Public Service Commission,
 this 16th day of July, 1990.

 STEVE TRIBBLE, Director
 Division of Records and Reporting

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as

ORDER NO. 23189

provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on August 6, 1990.

In the absence of such a petition, this order shall become effective on the day subsequent to the above date as provided by Rule 25-22.029(6), Florida Administrative Code, and as reflected in a subsequent order.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or sewer utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
