ORDER WITHDRAWING APPROVAL OF CHANGE IN NAME

On March 23, 1990, US Sprint Communications Company (the Company) filed a request to change the name on its Certificate of Public Convenience and Necessity to Sprint Communications Company. By Order No. 23058, issued June 11, 1990, we approved the request with an effective date of June 21, 1990.

On June 13, 1990, the Company informed the Commission that, due to internal delays, it required an effective date of August 1, 1990, for the name change. Accordingly, Order No. 23058-A was issued on June 18, 1990, amending the effective date of the name change to August 1, 1990.

On June 22, 1990, the Company informed us by phone that due to further internal delays, it would be unable to effect the name change as scheduled, and in addition could not provide us with a definite future effective date. On July 20, 1990, the Company requested in writing that because of the delays, we vacate Orders Nos. 23058 and 23058-A. On July 23, 1990, we reopened this docket to dispose of this matter.

The Company's request for the name change was premature. Internal corporate transactions which the Company had anticipated taking place have not been completed. We have no idea when, or even if the Company will be prepared to effect the name change. Accordingly, we withdraw approval of the name change and direct the Company to refile the request when the effective date of the transaction is determined.

Based on the foregoing, it is
