RE: DOCKET NO. 900004-EU - Planning Hearings on Load Forecasts, Generation Expansion Plans, and Cogeneration Prices for Peninsular Florida's Electric Utilities. (Petition of Florida Power Corporation for approval of rate schedules COG-1 and COG-2)

Issue: 1. Recommendation that the Commission deny Florida Power Corporation's (FPC) petition with regard to approval of the tariff language associated with transmission capacity costs found on Seventh Revised Sheet No. 9.104 and Sixth Revised Sheet No. 9.206, because issues regarding transmission capacity costs were not decided by the Commission on May 25, 1990 in Docket No. 900004-EU. All other aspects of rate schedules COG-1 and COG-2 should be approved.

*Modified - the tariffs will be approved with the exception of Sheets 9.104 and 9.206, which will be suspended and brought before the Commission at a later date.
The approved tariffs will have a June 13, 1990 approval date.*
