AMENDATORY AND CONSUMMATING ORDER

BY THE COMMISSION:

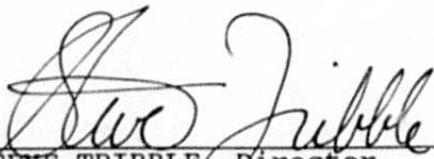

On October 2, 1990 this Commission entered Order No. 23556 approving Florida Power Corporation's (FPC) Conservation Plan. Included in that plan was FPC's cogeneration program. Order No. 23556 approved FPC's cogeneration program but did not pass upon the subject of "self-service generation" and the ordering paragraphs did not specifically include language to that effect.

In consideration of the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. 23556 is amended to indicate that the subject matter of "self-service generation" in FPL's cogeneration program was not considered by the Commission in rendering that Order. It is further

ORDERED that Order No. 23556 in all other respects is considered a final order and Docket No. 900103-EG is closed.

By ORDER of the Florida Public Service Commission, this 30th day of NOVEMBER, 1990.
