Re: Gulf Power Company Docket No. ~~891345-EI~~

Dear Mr. Tribble:

As you know, Gulf Power Company has filed a Notice of Appeal of the Public Service Commission's final order in the above-referenced docket. As you are also aware, Gulf concurrently filed certain Directions to Clerk, requesting that portions of the record in the above docket be indexed as the appellate record. Although you and I had informally discussed compilation of the record previously, this is to document our request that the index to the record be prepared as expeditiously as possible. Of course, we understand that other parties may supplement the record, and would request similar expedited treatment for all such additions to the record.

Thank you very much for your assistance. Please let me know if you should experience any difficulties in compiling the index to the record, or if you should have any questions or concerns.

Very truly yours,

Teresa E. Liles
