NOTICE OF PROPOSED AGENCY ACTION  
ORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

Pursuant to Sections 364.335 and 364.337, Florida Statutes, the Commission may grant a certificate of public convenience and necessity to provide interexchange telecommunications services to a qualified person or other entity. Interexchange telephone companies are subject to the provisions of Chapter 364, Florida Statutes, and Rules 25-24.455 through 25-24.495, Florida Administrative Code.

On September 20, 1990, Ameri-Tel Communications of Texas, Inc. (the "Company"), filed an application for a certificate to provide interexchange telecommunications services. The application contained the required background information and its proposed tariff. Having considered the application, it appears that the Company is financially stable and technically capable of providing service. Therefore, we find that it is in the public interest to grant a certificate to the Company, and it is our intention to grant the certificate.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the
