Re: **IXC Application**  
~~FILE NO. 910090-TI~~

Dear Mr./Ms.:

On January 25, 1991, Jones Lightwave of Tampa, Inc. ("Jones") filed an Application for authority to provide interexchange carrier telecommunications service within Florida (File No. 910090-TI). Question 9(a) of the application requests proof from the Florida Secretary of State that applicant has authority to operate in Florida. At the time the application was filed, Jones had applied, but not yet received, such authority. Jones now seeks to supplement its application by providing proof of such authority. Attached is an original Certificate of Status from the Secretary of State and twelve (12) copies indicating Jones's authority to transact business in Florida.

Also submitted herewith is a copy of this letter to be date-stamped and returned in the enclosed postage pre-paid, self-addressed envelope.

Should there be any questions regarding this filing, kindly contact the undersigned.

Sincerely yours,  
*Todd Parriott*
