Docket No. ~~900633-FL~~
Filed: March 6, 1991

SPRINT GATEWAYS' REQUEST FOR
CONFIDENTIAL CLASSIFICATION AND MOTION
FOR A PERMANENT PROTECTIVE ORDER

Sprint Gateways, pursuant to Rule 25-22.006, Florida Administrative Code, and Rule 1.280(c), Florida Rules of Civil Procedure, files its Request for Confidential Classification and Motion for a Permanent Protective Order regarding Sprint Gateways response to Staff's February 19, 1991 Data Request. In support of its Request and Motion, Sprint Gateways states as follows:

1. On February 19, 1991, the Florida Public Service Commission ("Commission") Staff requested Sprint Gateways to provide the names and addresses of its 900/976 information providers so that the requested information can be noticed and included in the Economic Impact Study.

2. Concurrent with this Motion, Sprint Gateways has filed in a separate, sealed envelope its proprietary response to the Staff's Data Request. Three copies of the proprietary responses accompany this Request and Motion. The proprietary information has been highlighted on one copy, and deleted on the other two copies. The copies with the proprietary information deleted are for public inspection.

3. The material for which confidential classification is sought pursuant to this Request and Motion is intended to be and is treated by Sprint Gateways as private and has not been disclosed.

4. The names and addresses of Sprint Gateways 900/976 information provider/customers are commercially valuable proprietary information, the disclosure of which would allow Sprint Gateways competitors to gain an unfair competitive advantage against Sprint Gateways through access to Sprint Gateways Florida 900 customers.

WHEREFORE, Sprint Gateways respectfully requests the Commission to classify as confidential and proprietary the highlighted names and addresses of its 900/976 information providers, and exempt such information from the provisions of Section 119.07(1), Florida Statutes. Sprint Gateways further respectfully requests that the Commission grant its Motion for a Permanent Protective Order in the manner and form requested by Sprint Gateways.

Respectfully submitted,
