**Re: Request for Exemption from P.S.C. regulation
for Oak Leafe Inc.
Highlands County, Florida**

Dear Sirs:

Attached please find three copies of an executed affidavit for the purposes stated above. My development contains 62 lots which can either be rented or sold. In any case, the compensation for use of our wastewater utility will come in the form of a nonspecific monthly maintenance fee which also includes grounds maintenance, recreation building maintenance and other such items.

Please contact me if you have any questions.

Sincerely,

Steve Chancey
