Re: Doc. #910072-WU

Dear Sirs,

Enclosed are copies of 3 bills for gas for the generator that was placed at the Tomoka Water Works plant. It appears that there is between \$16.00 and \$17.00 worth of gas used per month.

This should be adequate information to figure out the cost of gas on a yearly basis. If you need any further information please give us a call.

Respectfully,

Steve P. Shirah
Manager
