NOTICE OF PROPOSED AGENCY ACTION  
ORDER GRANTING PAY TELEPHONE CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

R. B. N. Services, Inc. (the company) filed an application for a certificate to provide pay telephone service (PATS). The application was filed pursuant to Section 364.33, Florida Statutes (1985), which provides that no person can begin construction or operation of a telephone line, plant or system without first obtaining from this Commission a certificate of public convenience and necessity.

By Order No. 14132, issued February 27, 1985, this Commission authorized the provision of competitive pay telephone service on a toll-only basis in addition to the PATS that is currently provided by the local exchange companies. Effective June 24, 1985, Section 364.335(4), Florida Statutes (1985), was amended to expand our authority to grant to PATS providers the authority to offer local PATS in addition to the previously allowed toll PATS. In Order No. 14132, we set forth the requirements for certification of PATS providers as well as the terms, conditions, service standards and rates that apply to the provision of PATS. Additionally, we required PATS providers to comply with the requirements of Section

350.113, Florida Statutes, which imposes a regulatory assessment fee. We also required each PATS provider to report to the Commission the number of pay telephone instruments that it operates in Florida. This report should be filed in conjunction with a PATS provider's payment of its regulatory assessment fee to this Commission. Further, in order to obtain service from a local exchange company for a PATS instrument, each PATS provider must specifically request a coin access line from the serving local exchange company.

PATS providers are subject to the provisions of Rules 25-24.505 through 25-24.520, Florida Administrative Code. These rules govern the operation of PATS.

In reviewing the application of the company, we find that it contains the information required for certification as set forth in Order No. 14132 and the Rules cited above. Based on the foregoing, we propose to grant to the company listed in the caption of this Order a certificate to provide toll and local public pay telephone service consistent with the conditions and requirements set forth in Rules 25-24.505 through 25-24.520, Florida Administrative Code.

The docket listed in this Order will be closed following expiration of the period specified in this Order unless an appropriate petition for hearing, protesting a specific application, is filed by one whose substantial interests may or will be affected by this proposed agency action, as provided by Florida Administrative Code Rules 25-22.029 and 25-22.036(7)(a).

It is, therefore,

ORDERED by the Florida Public Service Commission that R.B. N. Services, Inc. be granted a certificate to provide public pay telephone service subject to all the conditions stated in the body of this Order. It is further

ORDERED that this docket shall be closed if no protest is filed in accordance with the requirement set forth below.
