ORDER GRANTING THE REQUESTED CONFIDENTIAL TREATMENT OF  
DOCUMENT NUMBER 4011-91

On April 25, 1991, Southern Bell Telephone and Telegraph Company (the Company) filed its Request for Specified Confidential Classification of material associated with a traffic study of interLATA routes in Volusia County conducted pursuant to Commission Order 24148, issued on February 22, 1991. The Company asserts that the material at issue contains AT&T Communications of the Southern States, Inc. (AT&T) interLATA traffic data regarding toll routes in Volusia County received from AT&T pursuant to a nondisclosure agreement. The Company argues that disclosure of such information would cause AT&T competitive harm and would make it more difficult for the Company to obtain similar information from AT&T in the future. The Company concludes that this would make it difficult to plan future network deployment.

We accept the Company's arguments and find the information at issue to be proprietary confidential business information pursuant to Section 364.183, Florida Statutes.

Based on the foregoing, it is

ORDERED by Commissioner Michael McK. Wilson, as Prehearing Officer, that the Request for Specified Confidential Classification filed by Southern Bell Telephone and Telegraph Company for Document Number 4011-91 is granted pursuant to Rule 25-22.006, Florida Administrative Code, and Section 364.183, Florida Statutes for the reasons set forth above.

By ORDER of Commissioner Michael McK. Wilson, as Prehearing Officer, this 6th day of MAY, 1991.

  
MICHAEL MCK. WILSON, Commissioner  
and Prehearing Officer

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
