Re: American Multi-Cinema, Inc. Docket No. 910173-7C

Dear Mr. Tribble:

American Multi-Cinema admits to and apologizes for its failure to file an "Annual Pay Telephone Service Report". Certainly this failure was not intentional. Pay phone documents and correspondence are presently being sent to our corporate headquarters in Kansas City, MO. They are being sent to nobody's attention and too often these are lost in the shuffle at corporate headquarters. When these documents are not lost, our corporate headquarters mails them to our Southeast Division headquarters in Clearwater, FL. When the documents and correspondence arrive in Clearwater I address them. Unfortunately, the request for an annual report and any subsequent late notices never arrived in my office.

To insure that this problem does not happen in the future, I have requested an address change routing all future correspondence and documents to my attention in Clearwater.

American Multi-Cinema, Inc. is an honest and punctual company. While I apologize for the error, I would like to point out that the 1989 Annual Pay Telephone Service Report was submitted on time as were all Regulatory Assessment Reports and fees.
