ORDER GRANTING MOTION FOR EXTENSION OF TIME

By Order No. 24208, issued March 8, 1991, we directed ALLTEL Florida, Inc. (ALLTEL), Central Telephone Company of Florida (Centel), and Southern Bell Telephone and Telegraph Company (Southern Bell), to perform certain traffic studies. We ordered the companies to perform these traffic studies so that we could further evaluate Resolution No. 90-11 filed with this Commission by the Bradford County Commission. Resolution No. 90-11 requested that we consider requiring implementation of extended area service (EAS) between all exchanges in Bradford County, between Bradford County and Union County, and between Bradford County and Gainesville. The companies were to prepare and submit the studies to us within sixty (60) days of the issuance date of Order No. 24208, making the studies due by May 7, 1991.

On May 7, 1991, ALLTEL filed a Motion for Extension of Time requesting an extension through and including June 28, 1991, in which to prepare and submit the required traffic studies. As grounds for its request, ALLTEL states that there are thirty (30) routes involved in this docket, twenty-two (22) of which are interLATA (local access transport area). In addition to the complexities inherent in performing interLATA traffic studies, ALLTEL cites its simultaneous involvement in several other EAS dockets, with only limited staff available to work on EAS matters.

Upon consideration, I find it appropriate to grant ALLTEL's request for an extension of time. ALLTEL shall be granted an extension of time until the close of business on June 28, 1991, in which to prepare and submit the required traffic studies.

Based on the foregoing, it is

ORDERED by Commissioner Michael McK. Wilson, as Prehearing Officer, that the Motion for Extension of Time filed on May 7, 1991, by ALLTEL Florida, Inc. is hereby granted. It is further

ORDERED that ALLTEL Florida, Inc. shall file the required traffic study data on or before June 28, 1991.
