ORDER GRANTING MOTION FOR EXTENSION OF TIME

By Order No. 24208, issued March 8, 1991, we directed ALLTEL Florida, Inc. (ALLTEL), Central Telephone Company of Florida (Centel), and Southern Bell Telephone and Telegraph Company (Southern Bell), to perform certain traffic studies. We ordered the companies to perform these traffic studies so that we could further evaluate Resolution No. 90-11 filed with this Commission by the Bradford County Commission. Resolution No. 90-11 requested that we consider requiring implementation of extended area service (EAS) between all exchanges in Bradford County, between Bradford County and Union County, and between Bradford County and Gainesville. The companies were to prepare and submit the studies to us within sixty (60) days of the issuance date of Order No. 24208, making the studies due by May 7, 1991.

On May 9, 1991, Southern Bell filed a Motion for Extension of Time requesting an extension through and including June 6, 1991, in which to prepare and submit the required traffic studies. As grounds for its request, Southern Bell states that its simultaneous involvement in several other EAS dockets caused an unavoidable delay in accessing the appropriate computer system needed to generate the required traffic studies. For this reason, Southern Bell could not begin preparation of the traffic studies immediately upon receipt of our Order.

Upon consideration, I find it appropriate to grant Southern Bell's request for an extension of time. Southern Bell shall be granted an extension of time until the close of business on June 6, 1991, in which to prepare and submit the required traffic studies.

Based on the foregoing, it is

ORDERED by Commissioner Michael McK. Wilson, as Prehearing Officer, that the Motion for Extension of Time filed on May 9, 1991, by Southern Bell Telephone & Telegraph Company is hereby granted. It is further

ORDERED that Southern Bell Telephone & Telegraph Company shall file the required traffic study data on or before June 6, 1991.
