No. 156-S in Citrus County, Florida.) ISSUED: 6/6/91
_____)

ORDER AMENDING CERTIFICATE TO INCLUDE
ADDITIONAL TERRITORY AND CLOSING DOCKET

BY THE COMMISSION:

On January 10, 1991, Citrus Springs Utilities (United Florida), hereinafter referred to as Citrus Springs or Utility, filed an application to amend Certificate No. 156-S to include additional territory in Citrus County, Florida. The additional territory is located off U. S. Highway 41 and North Citrus Springs Boulevard. The area is zoned for light commercial usage, and consists of 40 lots.

The application is in compliance with Section 367.045, Florida Statutes, and other statutes and administrative rules concerning an application for amendment of certificate. In particular, the notarized application contains:

1. A filing fee in the amount of \$150, as prescribed by Rule 25-30.020, Florida Administrative Code.
2. Adequate service territory and system maps and a territory description, as prescribed by Rule 25-30.036, Florida Administrative Code. The additional territory in Citrus County is described in Attachment A of this Order.
3. Proof of notice to interested governmental and regulatory agencies and utilities within a four-mile radius of the territory, and proof of advertisement in a newspaper of general circulation in Citrus County, as prescribed by Rule 25-30.030, Florida Administrative Code.
4. Evidence that the Utility owns the land upon which its facilities are located, as required by Rule 25-30.036, Florida Administrative Code.

No objections to the notice of application have been received and the time for filing such has expired.

Since Citrus Springs has been in operation under our jurisdiction since 1986, and has been providing satisfactory service to its customers, we believe that it has demonstrated its ability to provide service to the additional territory. Also,

REC-RECORDS/REPORTING

from information submitted with the application, it appears that Citrus Springs has the financial ability to provide service to the customers in the territory. In addition, according the Department of Environmental Regulation (DER), there are no outstanding violations against the Citrus Springs system. Therefore, we find that it is in the public interest to amend Certificate No. 156-S to include the territory described in Attachment A of this Order, which by reference is incorporated herein. Citrus Springs has returned Certificate No. 156-S to this Commission for entry reflecting the amendment. The Utility has also filed revised tariff sheets reflecting the additional territory.

It is, therefore,

ORDERED by the Florida Public Service Commission that Certificate No. 156-S, held by Citrus Springs Utilities (United Florida), 9540 North Citrus Springs Boulevard, Citrus Springs, Florida 32630-6743, is hereby amended to include the territory described in Attachment A of this Order. It is further

ORDERED that the customers in the territory added herein shall be charged the rates and charges approved in the Utility's tariff. It is further

ORDERED that Docket No. 910039-SU is hereby closed.

By ORDER of the Florida Public Service Commission, this 6th day of JUNE, 1991.
