

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

DATE: June 11, 1991

RE: DOCKET NO. 910220-GU - Notice of transfer of assets from MILLER GAS COMPANY to CITY GAS COMPANY OF FLORIDA.

Issue 1: Recommendation that the Commission approve, on a permanent basis, City Gas Company's petition to apply its Commission-approved tariffs to customers formerly served by Miller Gas Company. The uniform application of City Gas's rates should be approved because it does not have a material impact on residential or commercial customers, it avoids confusion among existing and new customers about slightly different rates, it avoids the unnecessary expense of maintaining duplicative billing systems and it is not opposed by the one large interruptible customer that is materially affected.

APPROVED with the modification accepting City Gas Company's proposal to refund the differential between City Gas Company's and Miller Gas Company's rates for residential customers for the first year the rates are in effect, by flowing it through the PGA clause. Ongoing rates will be addressed at a subsequent date.
