**PETITION OF FLORIDA POWER CORPORATION
FOR DETERMINATION OF NEED FOR A 230 KV TRANSMISSION LINE
BEGINNING AT DEBARY IN VOLUSIA COUNTY AND
TERMINATING AT WINTER SPRINGS IN SEMINOLE COUNTY**

NOTICE is hereby given that the Florida Public Service Commission will hold a public hearing in the above docket at the time and place listed below. All persons who wish to be heard are urged to be present at the beginning of the hearing on July 8, 1991.

9:30 a.m. July 8, 1991 (July 9, 1991 has been reserved, if necessary) at the
Fletcher Building, Room 106
101 East Gaines Street, Tallahassee, Florida 32301

PURPOSE
The purpose of this hearing is for the Commission to take evidence of the need, pursuant to Section 403.537, Florida Statutes (Supp. 1990), for the construction of a 230 KV electrical transmission line. The proposed transmission line will begin at the DeBary power plant in Volusia County and will terminate at the Winter Springs Substation in Seminole County.

The proceedings will be governed by the provisions of Chapter 120, Florida Statutes, Section 403.537, Florida Statutes, and Chapter 25-22, Florida Administrative Code.

Only issues relating to the need for the proposed transmission line will be heard at the July 8, 1991 hearing. Separate public hearings will be held before the Division of Administrative Hearings at a later date to consider environmental and other impacts of the proposed transmission line.

PROCEDURE

Anyone wishing to become a party to the need determination proceeding should file an appropriate petition pursuant to Rule 25-22.039, F.A.C., with the Director of the Commission's Division of Records and Reporting at the address listed below. All witnesses will be sworn and will be subject to cross-examination.

Written comments regarding the need for the proposed transmission line may be sent to the Commission at the following address:

CAPE CANAVERAL — Three equipment problems in quick succession forced NASA to delay for at least 10 days the launch of Columbia today on a flight to study the effects of weightlessness on the body.

"I walked in this morning and it was like walking into a buzz saw. Bam! Bam! Bam! I said, 'What's going on?' " Bascom Murrah, a NASA official in charge of Columbia's countdown, said after the postponement Tuesday.

The shuttle had been scheduled to start its nine-day biomedical research mission today.

Murrah said NASA engineers received a report from a contractor about midnight Monday

NOTICE is hereby given that the Florida Public Service Commission will hold a public hearing in the above docket at the time and place listed below. All persons who wish to be heard are urged to be present at the beginning of the hearing on July 8, 1991.

9:30 a.m., July 8, 1991
(July 9, 1991 has been reserved if necessary)
Fletcher Building, Room 106
101 East Gaines Street
Tallahassee, Florida 32301

PURPOSE

The purpose of this hearing is for the Commission to take evidence of the need, pursuant to Section 403.537, Florida Statutes (Supp. 1990), for the construction of a 230 KV electrical transmission line. The proposed transmission line will begin at the DeBary power plant in Volusia County and will terminate at the Winter Springs Substation in Seminole County. The proceedings will be governed by the provisions of Chapter 120, Florida Statutes, Section 403.537, Florida Statutes, and Chapter 25-22, Florida Administrative Code.

Only issues relating to the need for the proposed transmission line will be heard at the July 8, 1991 hearing. Separate public hearing will be held before the Division of Administrative Hearings at a later date to consider environmental and other impacts of the proposed transmission line.

PROCEDURE

Anyone wishing to become a party to the need determination proceeding should file an appropriate petition pursuant to Rule 25-22.039, F.A.C., with the Director of the Commission's Division of Records and Reporting at the address listed below. All witnesses will be sworn and will be subject to cross-examination.

Written comments regarding the need for the proposed transmission line may be sent to the Commission at the following address:

Director, Division of Records and Reporting
