ORDER DISCONTINUANCE OF ENERGY CONSERVATION LOAN TEST PROGRAM

BY THE COMMISSION:

On September 3, 1986 by Order No. 16539, this Commission approved the implementation of Energy Conservation Loan Test Program (ECLTP), to begin on September 19, 1986 and terminate one year late unless extended. The ECLTP has been extended every year since its inception.

The ECLTP was designed to promote loans through participating financial institutions to residential customers of electric and natural gas utilities. The purpose of the loan program was to improve the energy efficiency of residential dwellings.

Funding for the ECLTP has been discontinued as part of the General Appropriations Act for Fiscal Year 1991-1992, Chapter 91-193 Laws of Florida. That law eliminated this Commission ability to continue guaranteeing ECLTP loans after June 30, 1991. Therefore it becomes necessary that the Commission discontinue any new loan commitments under the ECLTP after June 30, 1991. All energy conservation loan program commitments on all loan underwritten and closed through June 30, 1991 will be honored through the Commission's ECLTP.

In consideration of the foregoing, it is

ORDERED by the Florida Public Service Commission that this Commission will not guarantee any new energy conservation loans under the Energy Conservation Loan Test Program not completed prior to July 1, 1991. It is further
