Re: Docket No. 910671-WU - Request for exemption from FPSC regulation for provision of water service in Monroe County by Bounty Fisheries, Ltd.

Dear Mr. Vanyo:

As we discussed in our telephone conversation on the above date, additional information is needed to allow us to make a recommendation as to your exempt status as a reseller pursuant to Section 367.022(8), Florida Statutes. Because you filed the affidavit as agent for the owner of the utility system, you must provide sufficient proof of the agency relationship.

In addition, an explanation of how Campbell Directors, Limited is involved with Bounty Fisheries, Limited or Overseas Trailer Park would be very helpful in our analysis. The above information should be provided by July 31, 1991.

Thank you for your cooperation in this matter. If you have any questions or need additional information, please contact the undersigned.
