ORDER DENYING MOTION TO CHANGE PREHEARING

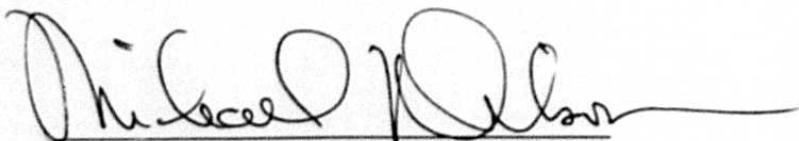

On May 28, 1991, counsel for Naples Sewer Company d/b/a Naples Industrial Park, Ltd., (Naples Sewer or utility) filed a motion requesting that the Commission change the date for the Prehearing Conference in this case. In the motion, counsel explains that he will be out of the country from August 7, 1991, to August 27, 1991, and will thus be unable to attend the Prehearing Conference presently scheduled for August 23, 1991.

This Commission cannot accommodate utility counsel's request. Since counsel will be out of the country from August 7, 1991, until August 27, 1991, the Prehearing Conference could not be moved to a date earlier in August. In addition, the Commission calendar affords us no time for a Prehearing Conference after August 27, 1991, and before September 5, 1991, the hearing date, other than an afternoon two days before the hearing, which is out of the question.

Therefore, in consideration of the foregoing, the undersigned Prehearing Officer hereby denies the motion of Naples Sewer to change the date of the Prehearing Conference in the above-captioned case.

ORDERED by Commissioner Michael McK. Wilson, as Prehearing Officer, that the motion of Naples Sewer Company d/b/a Naples Industrial Park, Ltd., to change the date of the Prehearing Conference in the above-captioned case is denied.

By ORDER of Commissioner Michael McK. Wilson, as Prehearing Officer, this 12th day of JULY, 1991.

MICHAEL McK. WILSON, Commissioner
and Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
