NOTICE OF PROPOSED AGENCY ACTION  
ORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

On April 16, 1991, Corporate Telemanagement Group (CTG or the Company) filed an application with this Commission for a certificate to provide interexchange telecommunications services. The application contained the required background information and proposed tariffs. Having considered the application, it appears that the Company is financially stable and technically capable of providing service. Pursuant to Sections 364.335 and 364.337, Florida Statutes, the Commission may grant a certificate of public convenience and necessity to provide interexchange telecommunications services to a qualified person or other entity. Therefore, we find that it is in the public interest to grant a certificate to CTG, and it is our intention to grant such certificate. Interexchange carriers (IXCs) are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code. Additionally, by Order No. 16804, IXCs are prohibited from constructing facilities to bypass a local exchange company without express prior approval from the Commission.

However, there is one additional issue that we must address. Based on information provided to the Commission by CTG, it appears that the Company was operating as an IXC in Florida since July 1990. However, CTG responded promptly to Commission inquiries, and

filed an application in a timely manner. Therefore, we do not find it necessary to initiate further proceedings against CTG in this docket. CTG is aware that, as a certificated IXC, adherence to all Commission rules is required, and any violation could result in future Commission action.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the application of Corporate Telemanagement Group, Inc. for a certificate to provide intrastate interexchange telecommunications service are granted as set forth in the body of this Order. It is further

ORDERED that the effective date of each certificate shall be the date specified below, if there is no protest to the proposed agency action within the time frame set forth below. It is further

ORDERED that these dockets shall be closed if no protest is filed in accordance with the requirements set forth below.

By ORDER of the Florida Public Service Commission, this 19th  
day of JULY, 1991.
